LAVO Italian Restaurant and Rooftop Bar

Introduction

Launched in January 2018, LAVO showcases TAO Group's first Asian outpost of its famed Las Vegas and New York City dining concept. Set atop the iconic Sands SkyPark at Marina Bay Sands, LAVO Singapore features an Italian American restaurant that offers a 'vibe dining' experience, complete with a luxurious lounge and live DJ sets.

Outfitted with reclaimed subway tiles and exposed bricks, a massive wooden wine cabinet and antique mirrors, LAVO Singapore channels a 19th century Italian American restaurant complete with a sprawling wraparound outdoor terrace. The vibrant terrace features subtle lighting, a light timber trellis, an outdoor bar and a gelato cart. Each element of the space – from the curved tiled bar with panel detail to the classic LAVO round leather booths – converges to create the ultimate experience in dining and nightlife.

LAVO Singapore boasts a vibrant nightlife programme with a themed party series, *Saturday Soiree*. Unveiled in June 2018, the party takes place every Saturday from 10pm till late, featuring guest DJs. It has attracted performances from A-list stars including American hip-hop legend and songwriter Jermaine Dupri, and celebrity guests including actress Priyanka Chopra and singer Nick Jonas, famed basketball player Dennis Rodman and football legend David Beckham.

LAVO's restaurant menu, created by TAO Group Partner and Chef Ralph Scamardella, is complete with all the greatest hits including penne a la vodka, linguini with clam sauce, large meatballs and chicken parmesan. In 2018, Wine & Dine magazine awarded LAVO Singapore one star for the 21st edition of Singapore's Top Restaurants 2018/2019 Awards.
