BY CHEF DANIEL BOULUD

PRIVATE EVENTS

Chef Daniel Boulud, owner of some of the world's finest restaurants and author of nine cookbooks, is considered one of the world's leading culinary authorities, with a cooking style rooted in country French soul food, applied to the finest seasonal ingredients. Chef Daniel's latest incarnation of db Bistro & Oyster Bar shares the energy and style of its renowned Manhattan counterpart, tailored to represent the excitement of Singapore and Chef Boulud's love of seafood.

The cuisine of db Bistro takes a contemporary approach to traditional bistro cooking while also featuring a brand new oyster bar that showcases a smorgasbord of the ocean's freshest catches, Singapore's widest variety of oysters, signature seafood platters, as well as additional items like daily tartare's and ceviche's, grilled 1kg Boston lobsters, Alaskan king crab, and whole roasted Mediterranean sea bass.

Let Executive Chef Jonathan Kinsella and Pastry Chef Mandy Pan create a custom menu of our seasonal selections chosen especially for your event with just the right selections from our elaborate wine cellar. Our private dining coordinator looks forward to arranging every detail of your event.
